To

Sir,

I have the honor to forward herewith a statement shewing the allocation of Police Stations and Outposts in the Province prepared on the lines suggested by Mr. H.A.Stuart, Director, Central Criminal Intelligence Department (Simla) Copy of his letter No. 4355/ 247 dated 5th. October 1904, is enclosed for information.

I request that you will be so good as to move the Government to order the Superintendent of the Government Press to supply me with 500 printed copies of this statement.

As copies of the allocation list have to be supplied to all Stations in the adjoining British Districts, and also to all the Finger Print Bureaux as requested by the Director, requisition has been made for this large number.

I have the honor to be,
Sir,
Your most obedient servant,

My dear Carr,

I enclose copy of two circulars which I have recently issued to Inspectors-General of Police in British - India. Would you care to join in the interchange of lists of police stations which I have proposed ? If so, I would suggest that you should place yourself in communication with the -- various Provincial Inspectors-General and with those of other large Native States.

Yours sincerely,

(Signed) H. A. Stuart.

To

All Inspectors-General.

I find that a good deal of confusion is often caused when suspicious strangers are questioned about their addresses owing to the ignorance of the local police of the names of - villages, police stations &c., of other provinces and I write to suggest that you should furnish each province with a sufficient number of copies of your printed list of police stations to allow of one being supplied to the Superintendent of each District and each Railway police charge and to each Deputy - Inspector-General together with 3 copies for the office of the Inspector General.

I would also commend a suggestion that has been made to me that each Superintendent should be supplied with a copy of the Indian Postal Guide which contains a list of all Indian Post Offices, or in other words of every town and every really important villge in India.

Yours sincerely,

(Signed) H. A. Stuart,

To

All Inspectors-General.

In continuation of my letter No. 3966 to 3974, dated the 14th. September 1904, I write to ask you to be good enough to supply 30 copies of your list of police stations and out-posts to the Inspector General of Police, Nizam's Dominions, Hyderabad (Deccan) , who will also supply to you the lists of his police stations on hearing from you what number you require.

I take this opportunity of suggesting that it would add to the usefulness offyour lists if you shewed against each - police station the name of the nearest post office, telegraph office and railway station. When the police station is situated in a place where there is one or more of these conveniences it would be sufficient to note the fact by the letters P.O., T.O., and R.S. It is true that this information can always be obtained from the Postal, Telegraph, and Railway Guides, but a reference to these books is not always possible at the moment when the information is required.

Yours sincerely,

(Signed) H.A.Stuart.
